

To find your "Support ID" and version number you will need to click on the options button in the top right hand corner of the SCA and then click on "About"

You can then find all of the details about the SCA V2. The support ID is shown below the QR code. To send us your support ID click on the "Copy Support ID" button. This will then copy it into your computer's clipboard which can then be pasted into an E-mail to us.
